1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Stephen Holmes on 6-22-05.

The application has been amended as follows:

In claim 19, line 8, after the word "depending" insert --directly--.

2. The following is an examiner's statement of reasons for allowance: The prior art of record fails to disclose or make obvious the claimed system for attaching modular enhancement to a firearm. Specifically, the prior art fails to show the claimed receiver sleeve attached to the top of a receiver, and a hand guard attached directly to the underside of the receiver sleeve such that the hand guard surrounds the firearm barrel without touching the barrel. Also, the claimed receiver sleeve with a side male dovetail is not disclosed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Claims 1-55 are allowed.

4. The prior art made of record in the attached form 892 and not relied upon is considered pertinent to applicant's disclosure since it was disclosed in the parent application and discloses firearms with hand guard attachments.

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to J. Woodrow Eldred whose telephone number is 571-272-6901. The examiner can normally be reached on Monday to Thursday, from 8:00 a.m. to 5:30 p.m..
